Composition:

Cabernet Sauvignon, Tannat, Syrah, Graciano, and Ruby Cabernet

Appellation: Texas

Alcohol: 14.1%

pH: 4.1

Wine Notes

This wine is seasoned with wisdom and grit, much like the legacy of its namesake. An intriguing blend of red grapes that range from in structure and texture but all could be described as luxurious in the glass. Wine is medium plus weight and garnet in color. Aromas lend themselves to dark fruits, pipe tobacco, and darker tones of molasses, and the most delicate presence of violets. On the palate this wine, is full-bodied with flavors of dark fruits of blackberry, black currant, and red plums. A well-balanced wine with soft tannins, layers of complexity, and exceptional finish.

Pairings

Pair this wine with wild game dishes like venison, elk, or sandhill crane, richer cuts of steak topped with fresh chimichurri, and grilled caesar salads. Exceptional with a treat of dark chocolate covered coffee beans.
